## Krylon® Supplies You'll Need

**Red Pepper**  
Fusion All-In-One®

**Bright White**  
Fusion All-In-One®

**Patriotic Blue**  
Fusion All-In-One®

[WHERE TO BUY](#)

All paint should be used according to the manufacturer's instructions.

## Other Supplies You'll Need

3/4 inch diameter PVC pipe cut into the following lengths\*:

- 24 inches x 18
- 12 inches x 12

3/4 inch diameter PVC connectors:

- Elbows x 12
- T's x 12
- Measuring tape

Purchase bolas or make them with golf balls, twine and coordinated colors to match.

[BUY BOLAS](#)

## 1. Set Up

Gather supplies and cut the PVC into specified lengths noted above\*. Wipe down PVC with an all-purpose cleaner/degreaser.

*Always be sure to follow the instructions outlined on the can.*

## 2. Spray

In a well-ventilated space, cover a flat surface with a drop cloth.

*Hold can 6-8 inches from the surface and paint using a sweeping side-to-side motion with slight overlap. Allowing 60 seconds between each coat.*

HOW TO SPRAY PLASTIC

## 3. Assemble

After an hour of dry time, assemble the ladder by attaching elbows to all corners and T-shaped joints for the middle rungs and base.

## 4. Play!

Gather some friends and play ball!
